

*Home Hosts, Inc. is a non-profit organization with its primary goal to provide short-term rental information to owners and municipal governing and administrative personnel. Information, ordinances and interpretations in the short term rental world change quite quickly both in terms of time and by municipality.*

*Home Hosts, Inc. provides generalized updates and guidance but does not intend to, nor does it, provide legal or tax advice for any specific situation. You should not rely solely on Home Hosts, Inc. for any decisions regarding your specific situation. As such, please consult your own attorney and tax advisor when making decisions about your property, ownership, business and personal uses and succession planning.*
